

TYPES OF NON-STANDARD VOTERS

Did the voter request an absentee ballot and return it to their county?

Did the voter request an absentee ballot and **NOT** return it to their county?

Is the voter in the correct county, but the **WRONG** precinct?

Did the voter already vote early?

Is the voter in the correct precinct, but **NOT** on the rolls?

Call the central office or consult the on site Deputy Registrar to confirm the ballot has been accounted for!

If they brought the ballot with them:

- Spoil the ballot
- Complete voter check-in
- Send the voter to VOTE!

Inform the voter of their assigned precinct location. The voter can choose to travel to the correct precinct.

The poll pad will display "Advance In-Person". Tell the voter their vote has already been accounted for!

Check the poll pad list, the supplemental list and the paper back up list.

OR

If the ballot has not been accounted for:

- Cancel the ballot with the central office or the on site Deputy Registrar
- Voter fills out affidavit form
- Complete voter check-in
- Allow the voter to VOTE!

If they did not bring the ballot with them:

- Cancel the ballot with the central office or the on site Deputy Registrar
- Voter fills out affidavit form
- Complete voter check-in
- Allow the voter to VOTE!

The voter can vote a provisional ballot.

*Provisional ballots are evaluated within three days of the election to determine if they will be counted.

If the voter says this is an error, consult your Poll Manager and central office.

If the voter does not appear on any electors list, the voter can vote with a provisional ballot.
